

Energy Sense | Together We Can

Energy Sense, PPCS' energy efficiency and conservation program, offers you financial incentives and rebates when you make energy efficient choices. Together, we can help you save energy and manage your energy bills.

Rebate Form

Name: _____

Address: _____ City: _____ State: _____ Zip: _____

Electric Account #: _____ Email: _____

Daytime Phone #: _____ Cell #: _____

Store/Vendor where purchased: _____

Terms and Conditions

The Energy Sense program provides rebates for the qualifying purchase and installation of products and/or services for members receiving electric service from PPCS.

- Products and services must be purchased between January 1 and December 31 of each calendar year.
- Completed rebate forms and required documentation must be received by PPCS no later than January 15 of the following year.
- Rebates will not exceed member's contribution.
- Rebates are subject to change without notice.
- Rebates will be issued in the form of a credit to member's electric account.

Required Documentation

- **Electric Water Heater Rebates:** Proof of purchase indicating date purchased, size and Energy Factor (EF). Unit must be connected to PPCS' load management system.
- **Air Conditioner, Heat Pump and ETS Rebates:** Proof of purchase indicating date purchased, equipment manufacturer, model number, size and SEER or EER. Condensing unit and evaporating coil unit model numbers both required for split air conditioners and heat pumps. Other conditions may apply.
- **Residential Lighting Rebates:** Proof of purchase indicating date purchased.
- **C&I/Ag Lighting Rebates:** Proof of purchase indicating date purchased. Ballasts/fixtures must be hard wired. A minimum of any combination of five ballasts/fixtures is required.
- **Appliance Rebates:** Proof of purchase indicating date purchased, model number and copy of Energy Guide with ENERGY STAR label.
- **Refrigerator/Freezer Recycling Rebate:** Receipt from recycling center indicating unit was in working order and has been recycled in an environmentally safe manner. PPCS will verify requirements if disposed of and recycled through Pierce Pepin Appliance.
